MATH 1210 METHODS OF PROBLEM SOLVING

Homework (25% of grade)
• Done on the computer
• Graded by MyMathLab
• Has due dates as shown in MyMathLab and the Assignment Schedule handed out the first day of class
• To access the MyMathLab homework, log into our course in Blackboard and select “MyMathLab” in the menu at the left
• MyMathLab homework prepares you for the quiz
• Must complete before due date
• In MyMathLab: three attempts for each problem; show work on paper for future reference

Quizzes (50% of grade)
• Covers class notes and MML homework problems from previous two classes
• Must be taken on or before scheduled date
• No make-up after quiz has been handed back to the class
• Lowest three quizzes will be dropped

Final (25% of grade)
• No make-up

Office Hours
• Shown on first page of Course Syllabus (handed out the first day of class)
• If doors to my office area (WS-II 205) are closed during my office hours, use a telephone to call me at 224-4000 ext. 50091
